

Wakefield Sponsored Walk Friday 17th September 2010

13.5 Mile walk between Wakefield and Castleford to promote the launch of Stop Hate Line in the Wakefield district and to raise funds for Stop Hate UK.

Stop Hate UK are a national charity who raise awareness of hate crime and its impact on victims and communities. We also provide an independent 24hr reporting line to allow people to report hate incidents.

Walk Details

The route of the walk will be from Westgate Train Station in Wakefield, heading towards Doncaster Road towards Heath and then turning towards Warmfield, Featherstone and then towards Glasshoughton and finishing in Castleford. The walk is approximately 13.5 miles long.

The walk will commence at 09:30 from outside the main entrance to Westgate train station.

An average call to the Stop Hate Line lasts 20 minutes and costs £3.50, so every pound raised matters and will go directly to supporting the victims of hate crime.
