We expect fundraising to keep within Stop Hate UK’s values. It is important to note that whilst Stop Hate UK encourage and appreciate the support that comes from fundraising, we cannot accept liability for your activity or event.
What we do at Stop Hate UK?

Stop Hate UK is a national charity working with people who are affected by Hate Crime or other targeted crime.

Stop Hate UK provides emotional support as well as advice and information on staying safe in the home or in the community. We can also help with advice on how to navigate the criminal justice system as well as how to hold statutory and other bodies to account.

Stop Hate UK has a long history of providing enhanced support to victims of Hate Crime with complex needs. This can either involve face-to-face advocacy on behalf of the victim or enhanced telephone/electronic support where required.

Our 24 hour helpline, reporting and support service draws on our extensive experience of people's needs when reporting, and is a virtual Third Party Reporting Centre. Victims, third parties and witnesses can contact us via our 0800 number, text service, online chat, email and an online reporting form.

24 HOUR HELP LINE©
Our Vision

We hope and strive for a society which is free from hate, harassment and discrimination, where all people are valued for their unique identity.

To reach our goal, we work towards a society in which all people affected by hate, harassment and discrimination can challenge, report and change their experience, in order to influence and improve organisations in their responses to Hate Crime. We continue to develop valuable partnerships with other organisations and individuals which share this ethos.

Why help us?

Donations to Stop Hate UK help to make our work possible. All donations, regardless of size, help us in our mission to tackle all forms of Hate Crime.

Through our passionate campaigning, we believe, by making people more aware about the current state of discrimination and prejudices, members of our local communities will become more proactive and supportive to those living through discrimination.

Moreover, speaking out against Hate Crime can empower and strengthen the voices of people suffering from Hate Discrimination. We, at Stop Hate UK believe those voices must be heard in order to report and record crimes to inform and create a safer future.
What your money can do?

A donation of just £5 would help us with the cost of providing and improving our services. For example:

It costs £35 per hour to run the Stop Hate Line.

£150 would allow us to provide up to five hours of additional advocacy support to a victim of Hate Crime.

£2,000 would enable us to run a new campaign to raise awareness of Hate Crime.

£4,000 could run Hate Crime awareness sessions for up to eight schools.

£18,000 could provide the Stop Hate Line to a region of up to 1,000,000 people.

To help improve Stop Hate UK's advocacy and helpline service, you can fundraise and donate to us via BT MyDonate, Paypal or directly to the Stop Hate UK account.
