The Stop LGB & T Hate Crime Line can also be promoted in Stop Hate Line areas as well as Dudley.

If you have any ideas for promotional items not shown in this catalogue, please contact Stop Hate UK and we will be able to look into producing them.

Each item features either a logo incorporating the Stop Hate Line number, Stop Learning Disability Hate Crime number, or the Stop LGB & T Hate Crime number.

Logos are available for free in JPG/GIF formats from Stop Hate UK—(Subject to accepting guidelines for use).

When using a Stop Hate UK logo please do not copy any image from our website. Please make a request to info@stophateuk.org and you will be provided with high quality images in a suitable format.

What is Hate Crime?
A Hate Crime or Incident is any behaviour that someone thinks was caused by hostility, prejudice or hatred of:
- Disability (including physical impairments, mental health problems, learning disabilities, hearing and visual impairments)
- Gender identity (people who are transgender, transsexual or transgender)
- Race, skin colour, nationality, ethnicity or heritage
- Religion, faith or belief (including people without a religious belief)
- Sexual Orientation (people who are lesbian, gay, bisexual or heterosexual)

What should I do if I experience or see a Hate Crime?

Anyone can be a victim of Hate Crime if they are targeted because of who they are, who their friends or family are or who the perpetrator thinks they are.

If you experience a Hate Crime, or know someone who has:
- Make sure that you and other people are safe.
- Report what has happened, either to the Police or the Stop Hate Line. Tell them it is a Hate Crime.
- Don’t clear away the evidence. Take photographs if you can.
- Keep details of who you speak to, such as the Police Officer.
- Keep any log or crime reference numbers the Police give you.
- Get help from your housing provider if appropriate.
- Get help from a local organisation – you can get this by calling the Stop Hate Line on 0800 138 1625.

Why should you report Hate Crimes and Incidents?

If you tell us what is happening, different agencies (such as the Police, Local Authority, charities and housing providers) can take action against the perpetrator, and support victims and witnesses.

Features

- Investigate and collect evidence
- Take photographs of evidence
- Provide home security for victims
- Enforce the laws of perpetrators
- Remove offensive graffiti quickly
- Provide CCTV to collect evidence
- Give victims and witnesses advice, information and support during the whole Criminal Justice process
- When you report Hate Crime and HMCDDH, you are making a bigger difference than you may think.
- It helps you get support. It helps us get your local area safer.
- Most Hate Crime is not reported. Your reports help us to understand how Hate Crime affects your community, and then tackle the problem.

What will happen if I call the Stop Hate Line?

If you don’t want to call the Police, or if you want extra support, you can call the Stop Hate Line. You can also report a hate crime by text to: 0717 999 025 or by web chat at www.stophateuk.org/talk. You can call us 24-hours a day, 365 days a year.
