What is Hate Crime?

A Hate Crime or Incident is any behaviour that you or someone else thinks was caused by hostility, prejudice or hatred of:

- disability (including physical, hearing and visual impairments, mental health problems and learning disabilities)
- gender identity (people who are transgender, transsexual or transvestite)
- race (skin colour, nationality, ethnicity or heritage)
- religion, faith or belief (including people without a religious belief)
- sexual orientation (people who are lesbian, gay or bisexual or heterosexual)

Hate Crimes include things like:

- name calling and verbal abuse
- bullying, threats, intimidation and harassment
- spitting, hitting, kicking, physical attacks, violence and murder
- damage to your property (e.g. to your home or car). The damage could be permanent or temporary. It could include setting fire to things, arson,
- graffiti and writing (e.g. notes, emails, text messages, comments on websites)

What should I do if I experience a Hate Crime?

It is important that all Hate Crimes are reported.

Reports help us support victims and witnesses, and make sure action is taken against perpetrators.

Anyone can be the victim of a Hate Crime.

Hate Crimes are illegal.

It is an emergency call the Police on 999. Tell them you are reporting a Hate Crime.

T Together, we can put a stop to Hate Crime.
