What is Hate Crime?
A Hate Crime or Incident is any behaviour that someone thinks was caused by hostility, prejudice or hatred of:
• Disability (including physical impairments, Mental Health problems, learning disabilities, hearing and visual impairments)
• Gender Identity (people who are transgender, transsexual or transvestite)
• Race, skin colour, nationality, ethnicity or heritage
• Religion, faith or belief (including people without a religious belief)
• Sexual Orientation (people who are lesbian, gay, bisexual or heterosexual etc)

It can include:
• name calling or verbal abuse
• graffiti or writing (e.g. notes, emails, SMS)
• damage to property
• physical attacks or violence, including sexual violence
• threats or intimidation
• bullying or harassment
• setting fire to things (arson)
• murder

What should I do if I experience or see a Hate Crime?
Anyone can be a victim of Hate Crime if they are targeted because of who they are, who their friends or family are or who the perpetrator thinks they are.

If you experience a Hate Crime, or know someone who has:
• Make sure that you and other people are safe.
• Report what has happened, either to the Police or the Stop Hate Line. Tell them it is a Hate Crime.
• Don’t clear away the evidence. Take photographs if you can.
• Keep details of who you speak to, such as the Police Officer.
• Keep any log or crime reference numbers the Police give you.
• Get help from your housing provider if appropriate.
• Get help from a local organisation - you can get this by calling the Stop Hate Line on 0800 138 1625.

What will happen if I call the Stop Hate Line?
I want more help
• If you are in a Stop Hate Line area, we will pass on your details to agencies in your local area who can help. You can call us again if the agency is closed or you need more support.
• I don’t want to tell you my name.
• You don’t have to. We can pass on details of what has happened anonymously, without telling anyone who it happened to.
• No-one will contact you, unless you want them to.
• I want to speak in a different language.
• Tell us your language name, phone number, and the language you speak. We will call you back with an interpreter.

Police - Tell them you are reporting a Hate Crime
Emergency - 999
Non-Emergency - see local phone book
